

Ang Mag-Abroad ay Hindi Biro: A FREE SEMINAR on US Immigration Laws

WHEN: 1:00 pm – 5:00 pm, January 31, 2010, Sunday

WHERE: YMCA Phil (Near SM Manila), 7th floor Hotel Indah Manila, 350 A. Villegas St, Ermita, Manila

RESOURCE PERSON: California-based Filipino Immigration lawyer **ATTY. ADOLFO NABOR** from Baler, Aurora Province will be the resource person. His areas of expertise are immigration concerns, personal injury and family petitions. website: <http://alnaborlaw.com>

He will discuss the various facets of US immigration which will be helpful both to those with pending petitions with either the US Embassy, Citizenship and Immigration Services in the US or the Department of State as with those dealing with the CFO on J-visa waiver applications, as well as those planning to file applications like those professionals (e.g. nurses) looking for possible employment in the US.

Atty. Nabor is visiting the country and the free seminar is his modest way of giving back to his roots.

The purpose of the seminar is

- to give an explanation of the US Immigration process
- help applicants do a self assessment of their chances of migrating to the US
- describe some of the important requirements for migrating, studying, or for working in the US
- give new migrants a clear picture of the challenges they will be facing when they arrive in the US
- describe some pre-departure decisions, would be migrants should think about
- describe the possible scenarios that could happen to migrants
- give new migrants tips on how they can minimize risks and avoid common mistakes

It is **NOT the intention of the seminar to**

- provide legal advice - nothing from the seminar should be taken as legal advice
- promote migration to the US - this is not a marketing or sales seminar. If your intention is simply to know more about the US as a country of destination, you would learn more by reading materials about the country from books or from the internet.

PARTICIPANTS: Slots are limited so we request the participants to pre-register. Preference is given to those who have already lodged their application at the US Embassy or with pending petitions
